Response to Office Action of July 13, 2005  
Page 7 of 8

**Remarks/Arguments:**

Upon entry of the present amendment, claims 2-14 will be pending in this application. Applicants note with appreciation the Examiner's indication that claims 2-14 include allowable subject matter. In the interest of advancing the prosecution of this case and without acquiescing to the Examiner's reasoning and rejection of claim 1, claims 2-14 have been rewritten in independent form, including all of the limitations of the base claim and any intervening claims.

Accordingly, Applicants respectfully request allowance of claims 2-14 and issuance of a patent containing these claims in due course. If there remain any additional issues to be addressed, the Examiner is urged to contact the undersigned attorney at 404.815.6147.

Respectfully submitted,

---
